Course Title: Symphonic Band

Course Description: Symphonic Band is open to all students who have had at least two years of experience playing a brass, woodwind, or percussion instrument. Approval of the instructor is required. Instruction focuses on the preparation of music in a variety of styles for public concerts, adjudicated festivals, and other events along with a focus on advanced middle school and early high school level band techniques. **Attendance at evening concerts and spring festivals is required.**

Course Content & Objectives: See attached.

Class Policies: See attached.

Communication: Please feel free to contact me at the phone number/email address above with any questions or concerns. I will contact you with any behavior or poor grade concerns with your child.

I have read the above and agree. Keep the upper section for your records.
