RETAKING ASSESSMENTS

Students are not graded on their artistic ability. They are critiqued on their understanding of the concepts discussed, and practiced, in class.

- Take initial assessment on assigned date
- Retakes of the initial assessment may be done throughout the 6 week grading period.
- My goal is to ingrain a love for art and provide students with skills to balance their lives.
- Students are expected to interact with staff and peers with integrity and honor.

"you cannot paint," then by all means*

Paint,

*and that voice
will be silenced.
