

FACS CLASSES
WALKER MIDDLE SCHOOL
6TH GRADE WHEEL

Welcome to the 6th Grade Wheel class. This class is designed to give students an introduction to the FACS program, including instruction in basic cooking and sewing skills.

Curriculum:

- Basic information on foods (food safety, kitchen safety, recipe reading, measurement, etc.)
- Hands-on practice by preparing a variety of simple dishes in a kitchen group setting
- Basic sewing techniques (pinning, cutting, hand sewing, etc.)
- Projects: "Bitty Bears," felt items, Heart Pillows (Service Learning)

Materials: (Optional)

Hand sewing needles, scissors, thread. These are optional, but always appreciated. I will have supplies available in the classroom. Walker Middle School will provide all of the items and ingredients necessary for the cooking labs.

Grades:

Student grades are based on a combination of projects, labs, and written work. Finished project quality is not factored as heavily as effort. The grading scale for this class is:

- A = 90-100%
- B = 80- 89%
- C = 70- 79%
- D = 60- 69%
- F = 0 - 59%

Behavior Expectations:

Students are expected to behave according to class rules.

- O - Student is always on task, and works cooperatively in the kitchen group
- S - Student is consistently on task and works cooperatively in the kitchen group with only occasional reminders
- N - Student is often off task, sometimes behaves inappropriately or disrespectfully to others
- U - Student is usually off task and often behaves inappropriately or disrespectfully to others

Work Habits:

Students are expected to complete all assignments and actively participate in labs.

- O - Completes all assignments, follows all instructions, works cooperatively at all times
- S - Completes all assignments, follows instructions, works cooperatively with few reminders
- N - Completes some assignments, doesn't follow all instructions, not cooperative with others
- U - Few assignments completed, often does not follow instructions, not cooperative with others

Tag Modifications:

- Group learning
- Modified projects
- Enhanced reading/math
- Enrichment options
